

ANNOUNCEMENT

I am pleased to announce the addition of Thomas Paul to our Project Management/Clinical Packaging staff. Tom comes to us with over 10 years pharmaceutical packaging and labeling industry experience; 9 years dedicated to clinical supplies packaging supervision and management. He was most recently Associate Manager of Organon's Clinical Supplies Packaging in Fogelsville, PA.

Tom has been working in this role since the end of June on a contract basis, learning Sharp's systems and establishing relationships with several new clients.

Tom will join Amey as a Clinical Operations Project Manager reporting directly to me. Please join me in welcoming Tom great success here at Sharp.
